**Sample
Specification Package**

Curated Interior Design Packages

At Pikd we provide you with a variety of curated interior design specifications, built to save you time and money and set you apart in your market.

Our expertly designed packages include:

- organized specification and selection documentation for a cohesive interior style
- manufacturers information and direct links to product specifications
- a roadmap with the flexibility to value engineer to suit your budget needs
- moodboards useful for marketing and project visualization

We curate the selections for you, so you can deliver a unique and timeless home that families will grow, play, and thrive in. This sample specification package is designed to give you a preview of the level of detail and professional curation we put into each of our collections. We have included notes on each page as a guide. We look forward to working with you!
